

Service Partner Generation Programme

Gateway2Enterprise's associate platform is www.gateway2digital.co.uk #VIRGIN #VOOM Finalist 2016 which has had a new image with a complete new website.

Working with a specialist team of experts in the world of Digital Marketing from PPC, SEO, web design/development, content, social media leads, video and our 'pièce de résistance', GENIUS – the 'data capture' cloud software tool that is the future for targeting your ideal customer, creating your own fan/audience base ready for us to execute your email marketing campaigns.

We take you on a journey of email marketing - 77% most effective form of marketing. We have various packages to suit all budgets:

We provide you with a tailored, bespoke marketing campaign that will drive quality leads to you direct, powered by Genius/RR thus customers and 'Bingo' - Sales! Eureka!

- 1 x newsletter (content written by you) with us endorsing your services with an offer for G2E members. Followed up with a social media campaign across 3 platforms, twice a day **One campaign only** – £995.00 plus VAT. This goes out to a database as at Jan 2018 of 100000 members and 12000 Investors plus our Social Media audience of 40000.
- Strategic Marketing Plan – in 4-stage or 7-stage plans. Content to be provided by you and we support your campaign with scheduled social media posts on 4 days or 7 days on 3 platforms twice a day.

4-stage plan - £1995.00 plus VAT – a saving of £2k

7-stage plan - £2995.00 plus VAT – a saving of £2k

Or you can have an annual plan that has G2D handle all your social media and marketing campaigns for an inclusive price of £4995.00 plus VAT – a saving of £5k – we use automated technology for email marketing and social media posts.

To generate even greater opportunities for our Members and Partners we are working with the support of our Team using our new software GENIUS, which, following an upgrade will operate on a more advanced level to perform more segmented digital data for marketing.

Next step: Heat sensor – Genius can do this and more.

This system will deliver extensive detail/information which rivals other systems in this industry – let us show you **HOW?**

FREE 30 day demonstration of Genius for all our Members and Partners. Plus, a 121 follow up with any of our Associates www.gateway2digital.co.uk on how to use your data to generate an email marketing campaign thus **Leads – Customers – Sales – Growth – Profit** and more
